

Material Safety Data Sheet

1. Basic Information

Product Shipping Name ~ SUPERKLEEN GLASSKLEEN

Hazard classification ~ non hazardous

Product Description ~ Long chain, Eco –friendly, detergent chemical

Product Type ~ Liquid

Manufactures name & address : Superb Kleaning Product

37 Lakeshore Homes, Kasavanahalli, B'lore 35

Emergency Contact Person & No: Mr Sunil.Panjwani :

9945006505,08048666344

E-mail : sunil9superkleen@gmail.com

Principal Components

1. Long chain bio degradable detergent
2. Benzalkonium chloride
3. Non phenolic disinfectant (non cresolic)
4. Perfumed Dispersant
5. D.M.water with low bacteria count

2. Physical Data

Appearance ~ Blue liquid

Solubility ~ miscible with water

Chemical state ~ alkali

Boiling point ~ N/A

Ph value ~ 7

Specific gravity ~ 0.82

Packing : 5ltr hdpe can

3. Fire & explosions hazard data

Flammable limits ~ non- flammable

Flash point test ~ NA

Special fire fighting ~ NA

4. Reactivity data

Viscosity ~20-30

Stability data ~ stable

Incompatibility ~ none

Conditions to avoid ~ none

Materials to avoid ~ none

Toxicological Info ~ none serious

Vapour density ~ NA

Percent Volatile by volume ~ NA

Evaporation rate ~ NA

5. Handling information

Steps to be taken if material is released or spilled ~ mop up with absorbant & wash area with water.

Ventilation recommended ~ none

Other protection ~ none

Waste disposable method ~ disposal according to local, state & federal regulation.

6. Personal protection

Eye protection ~ wash eyes thoroughly with clear water if contact is made.

Skin protection ~ None serious ;

Respiratory protection ~ none

7. Ecological Information ~ Does not disturb environment

8. Emergency first aid ~ Only symptomatic

Caution : Keep container tightly closed ,avoid spillage, store in cool place, avoid eye contact & do not swallow.
